

Sample Reports and Exports

Note: These sample reports contain hyperlinks to the Squire server from which they originate. These hyperlinks are only operational in an industrial deployment of Squire, this is why they are not valid in these sample cases.

Synthetic Report

Full Report

Sample Findings Export using sqexport (deprecated)

sqexport-findingssummary.csv

Sample Findings Export from the Findings tab (since 16.2)

findings.csv

Sample *Portfolio* Export from Software Analytics demo projects

portfolio.csv
